THE HILLTOP

Pleasanton High, dear Pleasanton High, our
hearts shall ne'er forget,
The golden haze of student days, is round
about us yet.
Our love for you so dear and true, through
years shall never die,
There's hope, there's strife, there's joy,
there's life,
There's all in Pleasanton High.

Dear Students:

Pleasanton Rural High School means many things to many people. It is to a few "just a school"; but to the majority of students it is the center of all activities. Here at school is where they learned together, worked together, shared together, and had fun together.

It was almost the essence of their whole life, and in the future will serve as the basis for never to be forgotten memories.

The main value of the yearbook is not to be found in its appeal to the student at the time it is issued, but in its appeal to him ten, twenty, or thirty years later when he picks it up looks it over and recalls old days and old friends.

We, the people are deeply indebted to our School Board for the interest it has shown in improving the academic facilities of Pleasanton High. The most noticeable and appreciated accomplishment of the Board is the new gas heating system. Through the fine work of the School Board our new football field has 104 lights.

Homecoming Queen

The highlights of the Pleasanton Homecoming football game were the halftime ceremonies based on the theme, "Around the World with Music." This was the night that Miss Penny Hoag became Homecoming Queen for 1964. Her royal attendants were Miss Herna Hoover escorted by Mr. Franklin Cox and Miss Patsy Miller escorted by Mr. Allen Henderson. The Homecoming Queen was announced with the placing of the crown on her head by Mr. Pete Pointer, her escort. The Queen and her escort reigned at the dance following the game.

The Future Homemakers of America at Pleasanton High received an honor chapter award for the 1962-1963 school year. This award is granted to the chapter who completes twenty honor goals. We received this award at the Fall District Conference which was held October 5 at Emporia.

During the school year we visited the State Mental Hospital in Osawatomie. In February we were host for the District election of officers. Our chapter observed National F.H.A. Week April 5-10 with an all school assembly.

We would like to thank our advisor, Miss Brooks, and our Chapter Mothers for helping us during the past year.

The purpose of this organization is to serve the student body. Several of our goals this year have been to develop high standards of personal conduct and appearance, to cultivate a spirit of cooperation among the students and faculty, and to promote student activities.

At the first of the year, the Student Council set up a series of general assemblies. The Council sponsored several and appointed the remaining assemblies to the various academic departments. We also sponsored a number of "Dress-Up Days" for special chapels.

The Council members wish to extend their appreciation to the students for their cooperation and to their sponsors, Mrs. Forsyth and Mrs. Crawford, for their helpful guidance.

Informative speeches, discussions of current problems, sales talks, demonstrations, and debates alternate with poetry recitals, duet acting, prose interpretation, and festival work to make a full year of speech activity.

The most challenging and exciting part of the year's work is the district and state festivals. At the district festival in Lawrence on March 21, Franklin Cox earned I ratings in dramatic reading and poetry interpretation. Franklin made his own cutting, a monologue from *MACBETH*, for his reading, and for poetry interpretation used "The Crucifixion" by Johnson.

Doris Moore won a first division rating with her humorous reading, "Life with Father," and in extemporaneous speaking she received a II. Sheilah Heiser and Betty Hamilton have a duet act from *THE MIRACLE WORKER* and Betty presented a dramatic reading from *OUR TOWN* for II placings. Gerry Robbins' informative speech, and Rosalea Cummins' poetry interpretation received III's.

By winning I ratings at Lawrence, Franklin and Doris were eligible for state competition at Manhattan on April 18. There Doris received a II while Franklin duplicated his performance and the district level and received two I's and a medal with each entry.
